

The image displays a set of architectural drawings for a building project, oriented horizontally. The drawings include:

- PLANTA SUPERIOR (Top Floor Plan):** Located on the left, showing the layout of the upper floor with various rooms and dimensions.
- PLANTA SUBSÓLO (Basement Plan):** Located on the right, showing the layout of the basement level, including a large open area and a staircase.
- SEÇÃO TRANSVERSAL (Transverse Section):** A vertical cross-section drawing on the far right, showing the building's profile, roof structure, and internal layout.
- SEÇÃO LONGITUDINAL (Longitudinal Section):** A vertical cross-section drawing on the far left, showing the building's profile from a different perspective.
- PLANTA DE TERRENO (Site Plan):** A small drawing at the bottom center showing the building's location on a plot of land.
- LEGENDA (Legend):** A table at the bottom right listing the drawing's title, author, and other relevant information.

The drawings are detailed with lines, dimensions, and labels, providing a comprehensive view of the building's design and structure.
